### **Michael Marr Appointed Director of Finance for Community Technical College System**

Concord, NH – The NHCTCS Board of Trustees unanimously approved the appointment of Michael Marr to the position of Director of Financial Management for the Community Technical College System. Marr is currently with the Office of Legislative Budget Assistant.

“Mike’s extraordinary knowledge of the state budget process will be a tremendous asset,” said NHCTCS Commissioner Bill Simonton. “During his tenure at the LBA, he has worked with our Agency on fiscal and operational matters and has developed expertise on how our System operates. We are all looking forward to working with him.”

Marr will succeed David Lee, who resigned from the post in August to take a position with the Department of Health and Human Services.
